## PROFILE

I am a highly motivated 2D hand-drawn animator passionate about crafting captivating stories and bringing characters to life through animation. With excellent attention to detail, I take pride in creating high-quality character animation that combines accuracy and artistic skill. I have experience as a competent independent animator as well as being part of a wider animation team. My flexible and adaptable nature enables me to handle conflicting demands and priorities as they arise, while still adhering to deadlines.

## INTERESTS

My deep appreciation for film and art has evolved into a lifelong passion for animation and storytelling. In my personal time, I enjoy drawing in sketchbooks, designing my own characters and stories, staying updated on new and upcoming animation projects, and honing my technical skills. I am primarily a 2D animator, where I bring my characters and scenes to life with my skills in digital animation techniques. Alongside my expertise in 2D animation, I am keen to explore and learn new mediums, particularly 3D animation. I am committed to continuously developing my technical abilities and exploring my creative horizons.
